OPERA's intrinsic dynamics results from an open process which continuously rebuilds and renews itself, assembling multiple areas of expertise, resulting in a system that connects and interacts among several disciplines - architecture, urban planning, landscape architecture, interior design, art and technology research. OPERA's objective is to create a flexible system, able to fully respond to any request in the design stage or earlier. The acquired experience is highly diversified in projects of great and small scale and it includes, among others, Housing, Offices, Hospitals, Universities, Hotels, Tourist Resorts, Industry, Retail, Shopping Malls, Exhibitions and Conventions Centers, Senior Equipment, Territory/Urban Strategies and Planning.</p> <p><b>Main expertise</b></p> <ul style="list-style-type: none"><li>• Architecture projects</li><li>• Engineering projects</li><li>• Urban development and Landscape</li><li>• Interior Design</li></ul> <p><b>Services</b></p> <ul style="list-style-type: none"><li>• Project and Technical assistance</li><li>• Consulting</li><li>• Project Management</li><li>• Integrated Project coordination</li><li>• Viability studies</li></ul> <p><b>Significant last works</b></p> <div><div><ul style="list-style-type: none"><li>• School of Dental Medicine At Lisbon University</li><li>• Engineering School at Guimarães</li><li>• School of Health Sciences at Minho University</li><li>• School of Health Sciences Biotherium at Minho University</li><li>• Braga New Hospital</li><li>• Reguengos de Monsaraz Health Center</li><li>• Moura Health Center</li><li>• “Fórum Brandoa” Civic Center</li><li>• Campolide Parque Complex</li><li>• “Alto do Parque” building – Lisbon</li><li>• Polytechnic Institute of Beja University Residence</li><li>• Povia do Lanhoso University Residence</li><li>• Cabanas Golfe Complex– Tagus Parque</li><li>• Paço do Duque Buildings – Chiado</li><li>• Lisbon Stock Exchange Building – Lisbon</li><li>• Central Services and Social Services Building – Leiria</li><li>• SMAS – New Installations – Brandoa</li><li>• AIM - Minho Industrial Association Headquarters – Viana do Castelo</li><li>• Peniche Firestation New Headquarters</li><li>• NERSANT New Headquarters – Torres Novas</li><li>• Seniores Units (Lagos, Setúbal and S.
