We specifically provide services dedicated to structural engineering, building engineering, bridge design, multidisciplinary coordination of projects and technical consultancy. STRUCONCEPT is owned and managed by the 3 founders of the company who work together for more than 25 years. Our breadth of skills and services, thanks to our staff and close partnership with companies which are complementary to our activities, makes STRUCONCEPT one of the top players in delivering engineering and consultancy solutions for our customers.</div></div> <div><div>Main Expertise</div><div>- Engineering Projects Consultancy Management and control of the construction</div></div> <div><div>Services</div><div><div><div>• Projects:</div><div><ul style="list-style-type: none">– Bridges, viaducts and Tunnels– Environmental Infrastructure, Water, Wastewater and Mining– Industrial and Commercial Buildings– Schools, Sports Buildings, Swimming Pools– Institutional, Cultural, Religious and Hotelier Buildings– Houses and Housing Buildings– Geotechnical Works– Landscaping and Public Spaces– Rehabilitation of Structures– Rehabilitation of Buildings</div></div><div><div>– Special Buildings and Structures</div><div><ul style="list-style-type: none">– Special Studies and Advice– Project Revision– Project Coordination</div></div><div><div>• Consulting Services</div><div><ul style="list-style-type: none">– Technical reports– Revision and certification of projects– Owner and Promoter advising– Support of other external offices– Expertise and consultancy</div></div><div><div>• Quality Management and Control</div><div><ul style="list-style-type: none">– Monitoring the progress on site</div></div><div><div>– Validation of material, human and technical execution of contracts for schedule fulfilment quantities validation</div><div><ul style="list-style-type: none">– Hygiene and Safety on site– Registration and quality certification promotion for materials and execution</div></div><div><div>• Hiring Assistance</div><div><ul style="list-style-type: none">– Bidding organization and launching and tenders selection assistance– Tenders selection and contract assistance</div></div></div></div>
