OTHER PUBLICATIONS

Besides the Directory, APPC has published several other documents, none of which is in English.

APPC Bulletin (“Boletim Informativo”)

The Bulletin is a publication whose purpose is to inform several bodies of the Central, Regional and Local Administrations, Employers (companies that contract Consultants), several organizations, media and sector companies about the activities of the Association.

The last 3 editions of the Bulletin are available in electronic format in the Portuguese version of the web site.

APPC Editions

The series of publications under the name “Edições APPC” deals with subjects that interest the Consulting and Project Design Sector and is aimed at the Portuguese consultancy companies, entrepreneurs thinking about setting up a company in this area of activity and companies or organizations related to the Sector (ex.: employers and awarding authorities).
